

2026-2027 Season

PROGRAM DESCRIPTION

Just For Fun Hockey is an initiative of Cathedral Village Community Association and community volunteers to provide opportunity for community youth aged 8-18 to play recreational hockey once per week regardless of hockey experience or skill level. This is a no contact, "everyone plays" program targeted to non-competitive athletes who want to play regularly but who may have limited experience in the sport. All genders and abilities are welcomed, although organizers strongly recommend participants should be able to stand and move on skates (this is not a learn to skate program). Unlike most hockey programs, there won't be regular teams. We'll "throw sticks" and scrimmage each week to keep the level of play fair and fun.
